

PRESS RELEASE - 01 March 2017

Musket Cove Welcomes World Circumnavigators

Musket Cove Island Resort & Marina is showing its sailing personality once again by welcoming 29 yachts from the 2017-2019 Oyster World Rally to its beautiful shores in October this year.

The Rally is an epic voyage enabling Oyster yacht owners to fulfill their life-long dreams of circumnavigating the world. The journey will span 2.5 years allowing plenty of time to relax and explore every island along the route and truly make some lasting memories.

The adventure began from Antigua in January 2017 with yachts ranging from 45-82.5 feet cruising the Caribbean before transiting the Panama Canal in March, visiting the Galapagos Islands in April then crossing the vast Pacific Ocean to explore French Polynesia, Tonga, Fiji and beyond.

Around 110 crew from 12 different nations will get together for a week's programme of fun and relaxation, supported by Musket Cove Island Resort & Marina in October. The visit to Malolo Lailai will round off six weeks exploring the beautiful islands of Fiji and give the fleet a chance to regroup and share tales of their adventures thus far.

Musket Cove Island Resort & Marina is a true Fiji barefoot island experience with over 170 warm and friendly Fijians ready to welcome the Oyster fleet to their home.
